### Management System Certification

The scope of accreditation represents broad classifications granted by ASIB (Europe) based on the management system certification processes demonstrated by the certification body (CB).

Accreditation is based on the competence and ability to effectively apply the requirements of the relevant certification standards listed in the CB's scope of accreditation. In addition, under the accreditation conditions, the accredited body must implement conformity assessment processes as demonstrated during the accreditation review process and cover the specific scopes for all clients.

#### DESCRIPTION:

All certificates issued by the above-accredited organisation are valid for three years from the certificate date, or less stated on the certificate issued by them, and so advised to [asib.co.uk](http://asib.co.uk). All such certificate holders are entitled to be listed in ASIB(E) accredited listings and status.

In this issuance of the certificate, ASIB declares no liability to any party other than to the conformity assessment body and only in accordance with the agreed-upon accreditation agreement. The validity of this certificate can be confirmed through the ASIB website or by email to [admin@asib.co.uk](mailto:admin@asib.co.uk). This document is non-maintained and is invalid in any form other than a live download from [www.asib.co.uk](http://www.asib.co.uk). This document is informative rather than regulatory. This certificate remains the property of ASIB, to whom the CB must return upon request.
